## **VIDEO ENTERTAINMENT SYSTEM ..... please call**

Our state-of-the art video system offers the best of video entertainment (please choose one:)

- Dancing Boogie-Heads, where guests heads get separated from their bodies and superimposed onto dancing actors' bodies dancing to dozens of fun popular tunes;
- MTV videos, where guests' full bodies get superimposed onto a variety of popular modern MTV videos. Guests can either lip-sync or sing into actual microphones and get mixed with the video's audio tracks;
- Video Karaoke – choice of hundreds of karaoke songs, from all-time-classics to fun new ones.

Guests receive the personalized DVDs with their performances.

## **FLIP BOOKS**

New blasting kind of photo favors! Guests pose individually or in groups in front of a video camera, and our state-of-the art system prints out a 60-page booklets with sequential video frames printed. Guests then can flip through the book with a thumb and see their pictures come to life. The system is available in two flavors – traditional and 3D, where red-blue glasses allow the frames to pop-out from the flipbook and come to life! Unlike some companies, we print our flip-books on gorgeous long-lasting paper. More at our website: <http://www.fotonovelty.com/Entertainment/Flipbooks.aspx>

Flip Books for Parties - 4 Hours, Unlimited Flip Books ..... \$ 1,900  
 Customized covers for flipbooks..... \$ 200  
 (we'll collect your ideas and provide some samples before we print the covers. Please allow about 2 weeks before the event for designing and printing of covers).
